*It was a dark and stormy night.*

See other side for contest details.

## Entering the contest:

- Step 1:** Pick up an entry form at the library.
- Step 2:** Fill out your entry form, including reading and signing the back side of the form.
- Step 3:** Imagine a way to represent the theme shown on the front of this card (ex: blue winter, space opera). If you win the contest, you'll set up your creation on the cork board in the teen space, so design your entry to cover an area about 10 feet long and 4 feet high.
- Step 4:** Show an image of your idea on the attached page of your entry form.
- Step 5:** Drop off your entry form at the library before September 15th.

## Information for contest winner:

- The winner will be announced September 19th.
- The winner will have three days to contact the library to set up a time to come in and decorate. After three days, the runner-up will be contacted to take the place of the winner.
- The contest winner is welcome to bring a friend to help with setting up the board. If a friend comes along to help out, he or she will get a bonus prize.
- The entry form has a space to list the materials you'll need. The librarian will purchase the materials (up to \$15 worth) after the winner is chosen. They will be there for you on the day you come in to decorate the board.
- When you're all done decorating the board, don't forget to pick up your prize!
